MEMORANDUM FOR:

STATINTL

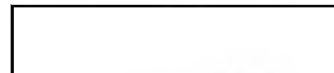

SUBJECT:

Declassification Authorization

1. You are hereby authorized to declassify or downgrade those records deposited at the Franklin D. Roosevelt Library for which the Central Intelligence Agency has current national defense classification jurisdiction.

2. In exercising this authority, it is understood that you will adhere closely to established precedents and guidelines governing the declassification and release of materials originated by the Office of the Coordinator of Information and the Office of Strategic Services. Moreover, no documents dealing with subject matter which is the primary concern of another U. S. Government agency will be declassified or downgraded without the prior concurrence of that agency.

3. You will be expected to maintain complete and accurate records of all declassification and downgrading actions taken and to mark the documents in the prescribed manner.
